**BIOGRAPHY (EDUCATION/PROFESSIONAL EXPERIENCE/PROFESSIONAL ACCOMPLISHMENTS)**

Professor Adanma Sabina Eysi is an adjunct Professor of the Department of Accounting in the College of Management Sciences of Evangel University Akaeze, Ebonyi. Her research and teaching interests has been fostered by several years of undergraduate and postgraduate teaching and mentoring in so many universities such as University of Nigeria Enugu, Ebonyi State University and others. She has supervised and produced alot of MSc and PhD scholars in Accounting. She has taught so many courses in accounting such as Auditing, Taxation, Financial Accounting, Management Information System, Research Methodology, Cost and Management Accounting, International Accounting and others. She has also served in numerous positions such as Director of Gender and Child development, Dean of Students Affair, HOD Accounting Department, Dean College of Management Sciences and others. She is currently a member of Editorial Journal Board. She is a member of Association of National Accountants of Nigeria (ANAN).

Her research interest and expertise is in the area of Auditing and Reporting using Data Analytics and Artificial Intelligence in improving Audit and Reporting Quality and Transperancy. She is also interested in Financial Accounting, Cost and Management Accounting.

She has greatly contributed to accounting through her numerous journals, articles and books on various areas of Accounting. She is currently working on "Covid 19 and Organisational performance and Nigeria Economy Growth"

Her teaching philosophy reflects her interests in collaborative authorship, preferring student-centred

teaching that encourages learning by students and teachers rather than traditional teaching. She is interested in sharing her research with students which facilitates applying the research-led-education approach.
