BIOGRAPHY (EDUCATION/PROFESSIONAL EXPERIENCE/PROFESSIONAL ACCOMPLISHMENTS)

I am a thorough bred clinical physiotherapist who rose through the ranks to the position of Director of Physiotherapy at Enugu State University Teaching Hospital, Park Lane, Enugu before joining the faculty at Evangel University Akaeze, Ebonyi State in October, 2022.

Upon graduation as a Physiotherapist, I had my internship training at the National Hospital, Abuja and thereafter became a Sole Physiotherapists at the then General hospital, Park Lane which later metamorphoses into a teaching hospital.

I later worked with a team of other Physiotherapists, as Head of Department, to secure accreditation of the department of Physiotherapy of the hospital as a Centre for safe Physiotherapy practice and training of Physiotherapy students and interns.

I later pursued specialization in Orthopedic and Sports Physiotherapy in which field I obtained a Masters degree from the renowned Nnamdi Azikiwe University, Awka.

I have certifications in manual Therapy, the McKenzie's Mechanical Diagnosis and Therapy, Basic Life Support and Advanced Cardiopulmonary Life Support among other competencies in Physiotherapy.

I have a passion to help groom and impact the younger generation of physiotherapists, hence my involvement in academics. I have a few research publications to my credit.

I am the Chairman, Association of Clinical and Academic Physiotherapists of Nigeria, Enugu State Chapter and I am on the Register for Physiotherapists in Nigeria and the United Kingdom.
