₦30,000.00 (THIRTY THOUSAND NAIRA)**

Following the upward review of **Clinical Fee** by the Management of Alex Ekwueme Federal University Teaching Hospital, Abakaliki (EA-FUTHA) it has become necessary to notify all students again in writing that each student of College of Health is henceforth mandated to pay ₦30,000 (thirty thousand naira) only per session. This upward review is aimed at meeting with payment of the stipulated **Clinical Fee** by each student as well as the logistics surrounding transportation to and from the Hospital.

Concerned students of College of Health Sciences are to note that Management has resolved that any student who fails to pay the **Clinical Fee** will not have his or her result processed or forwarded to the Senate for approval.

This is the second time this memo has been sent out for the notice of concerned students and staff of College of Health Sciences and Management will not accept any complaint of ignorance from all concerned.

Above is for the information and compliance of all concerned, please.
