RESUMPTION OF WORK ON MONDAYS

Management has taken a second look at the sit at home which has prevented members of staff from attending to their official duties on Mondays. Management decided to review the policy forced on the University due to the improving security situation in the South East.

Consequently, Management has resolved that as from Monday June 4, 2024 all members of Staff should be attending to their official duties on Mondays. By this memo all members of staff are directed to comply with this directive in their own interest.

Above is for the information and necessary action of all concerned.
