

**EVANGEL UNIVERSITY AKAEZE  
OFFICE OF THE REGISTRAR**

Memorandum

To: All Students of Evangel University, Akaeze  
From: The Registrar  
Ref: EUA/REG/015/VOL.3/111  
Date: December 20, 2023

**DENIAL OF ACCESS TO THE HOSTELS DUE TO NON PAYMENT OF FEES**

Management has deliberated on the magnitude of unpaid fees in the University and the reluctance of some students to pay up their school fees and directed that henceforth, debtor students will no longer be checked into the Hostels after return from vacations. It is disheartening that some students do not pay their fees yet they continue to enjoy the services provided by the Management including receiving lectures and being accommodated in the Hostels with all other services provided for occupants of the Hostel in the University.

Consequently, Management has directed that in the year 2024 no student returning from vacation will be checked into the Hostels if he or she is still indebted to the University. All students who are yet to pay any kind of fees including school fees, accreditation fees, clinical fees, etc. are advised to clear their debts or risk being barred from entering the Hostels. Students are to note further that the Hostel Administrators as well as the Ag. Chief Security Officer have been directed to ensure that no student debtor is checked into the Hostel on their return from the Christmas Break. Students are to note that this directive will continue to be implemented after every vacation in the University.

By this memo, all concerned students and parents are to note and do the needful. To be forewarned is to be forearmed. All concerned are to be guided accordingly by this directive.
